Who Is The Greatest?, Luke 9:46-48  
Sam Potter

## Discussion Questions

**1** Are you a person who has struggled with your self-worth based on how others are “performing” around you?

**2** What does it show other people when we are willing to be at the back of the line instead of rushing to the front?

**3** What are some ways that you can strive to be the “least” instead of the “greatest” this week?
