Discussion Questions

*The vision of First Free Church is to create deliberately simple opportunities to: Experience Jesus personally, the leading of the Spirit consistently, and worship the Father collectively.”
Let’s reflect on how we might embody that vision together.*

1 How might you recognize someone who has experienced Jesus personally? What are some simple ways we can encourage an authentic, ongoing, personal relationship with Jesus as individuals and as a group?

2 How do you understand the Holy Spirit to work in the lives of believers? What are some simple ways that we can become more attentive to the Holy Spirit’s leading in our own lives?

3 How would you define “worship”? What are some simple ways that we might worship God the Father individually and collectively (beyond singing on a Sunday morning)?
