Discussion Questions

Read 1 John 4:7-21.

1 Reflecting on verse 18, how does God's perfect love overcome our fear, our anxiety, our shame? Describe a time when this was exemplified for you in your own life by someone else.

2 Think for a moment. Who is someone or some group whom the Holy Spirit has perhaps been prompting you to example God's unconditional love recently?

3 How could you show love to someone or some group "without an agenda" this week? Be specific... craft your plan to do so!

"The ability to love others without an agenda or prerequisites in community is fostered in knowing we are loved without an agenda or prerequisites privately." -Danny Lamonte
