Incarnational, Colossians 1:15-20

Pastor Danny Lamonte

## Discussion Questions

At First Free, we want to become a community that is “incarnational in our local and global outreach.”

**1** How do you understand the word “incarnational” from a biblical or theological perspective? How might followers of Jesus be able to adopt this word to describe a Christian way of life and ministry?

**2** Read John 1:14. How is God in Jesus Christ incarnational in His posture toward humanity? Beyond Jesus “becoming flesh,” how was Jesus’ life and ministry incarnational?

**3** What is the difference between being invitational versus being incarnational in your own posture toward those who do not yet know Jesus?

**4** In what ways can you be incarnational in your relationship with others during this upcoming holiday season?
