Discussion Questions

1 Can you think of a time when you were made to feel like you belonged among a group of people even though you were perhaps not yet a part of that group? What was it about their demeanor towards you that made you feel that way?

2 “All love for our neighbor (friends and enemies alike) springs from a deep and growing belief in God’s unconditional love for us.” Reflect on this statement. How is God’s unconditional love the perfect example of intentional inclusivity of all people?

3 How would you describe the difference between unity and uniformity? How might this difference pertain to inclusivity within the church?

4 What’s one activity you could do this week in order to really empathize with or lovingly engage with someone NOT like you?
