## Discussion Questions

1

In what area(s) of life are you prone to questioning whether or not you are enough?

2

How does God's love through the life, death, and the resurrection of Christ speak into those questions?

3

What could it practically look like for you to take your questions of doubt or self-worth and surrender them before Jesus? When, where, and how will you do that this week? How will you slow down and live at the pace of grace?
