Meet Jesus | The Faith of Failures, Luke 22:31-34

Reflection Questions

1 Where have you failed or felt like a failure in your own walk with Jesus recently?

2 How does God's grace, forgiveness, and faithful presence in Jesus inform your ongoing failures?

3 What steps could you take this week to avoid performing for God and simply bask in the grace, forgiveness, and faithful presence that God offers in Jesus Christ? (Consider fasting from an action or event you normally do for God or spending time in silence and solitude with God rather than in activity).
