Hello, My Name Is... | Jonah

Mark Brunott

## Reflection Questions

1

God told Jonah to **go** and give the people of Ninevah His message. As followers of Jesus, we have all been given the command “to go and make disciples...” (Matthew 28:18-20). For most of us that means we are to **go** right where God has already placed us. Where or to whom in your own life or spheres of influence is God perhaps telling you to **go**?

2

Jonah wished for God’s judgement rather than God’s grace toward the people of Ninevah, but God was abundantly loving toward them. In what ways might you inadvertently ask for God to bless you while simultaneously hoping that He withholds His abundant compassion, grace, and blessing from others?

This week, what could it look like for you to actively extend grace, forgiveness, or the good news of Jesus to someone far from Him?
