Reflection Questions

1 What is something in life that you are prone to give your heart to more than Jesus Christ Himself? This could be a person, an idea like wealth or power, or even a religious practice.

2 In what ways could the potential idol you've mentioned, if loved in excess, lead to a real world injustice?

3 What is one way that you could love Jesus with all your heart, soul, and mind this week? What is one way that you could love someone else who is in a more vulnerable situation this week?
