Real People, Real Church, Real Grace

Real People Need Real Grace | 1 Corinthians 1:4-9

## Reflection Questions

**1** On Sunday we learned that, in Jesus, we are considered saints. What keeps you from considering yourself a saint?

**2** Are you more prone towards controlling, competing, or covering-up behaviors in order to become who you think you are supposed to be? How might these actions actually act as a false or fake religion instead of finding the freedom that is offered in Christ?

**3** Read 1 Corinthians 1:4-7. How does this passage inform your status as a saint? How does this passage inform your controlling, competing, or covering-up tendencies?

**4** What could you do this week bask in the beautiful grace of God offered in Jesus Christ? What could you do to be actively gracious with yourself this week? What could you do to tangibly give grace to someone else this week?
