## Reflection Questions

**1** What are some of the toughest issues you face when seeking unity with other believers? Why do you think that is?

**2** At First Free, we are a “gospel-centered people in process.” How should that inform our unity with one another?

**3** Read Hebrews 12:1-2. How do the truths of this passage give us hope as a “people in process” seeking to follow Jesus together?

**4** Read Ephesians 4:1-6. What can you do this week to put Paul’s exhortation in verses 2-3 into practice in one or more of your own relationships with someone at First Free this week?
