

## Reflection Questions

*At First Free Church, we are a group of people in process growing in the soil of the Gospel. One way that we express that reality is by becoming less identified by our statements about Jesus and more identified by our growing awareness of and response to Jesus. This week, let's consider a few ways we might each work to make that a reality in our own lives and community.*

**1 Listen** in order to serve each other.

- Read Galatians 5:13-15.
- Reflect on what God may be saying to you in this passage.
- Write down what you will do this week in response.

**2 Learn** from one another.

- Read Philippians 2:1-4.
- Reflect on what God may be saying to you in this passage.
- Write down what you will do this week in response.

**3 Lean** on someone.

- Read Galatians 6 1:1-2.
- Reflect on what God may be saying to you in this passage.
- Write down what you will do this week in response.

**4 Love** on everyone.

- Read John 13:34-35.
- Reflect on what God may be saying to you in this passage.
- Write down what you will do this week in response.
