1 Corinthians 7

## Reflection Questions

**1** Based off of movies, music, news, social media, etc. in today's culture, how would you say our society generally defines the concept of love?

**2** How do you think these definitions inform our understanding of marriage, singleness, dating, and all other human relationships? Briefly consider each of these.

**3** Do you think that Christian culture today has generally over-glorified marriage? If yes, why do you think that is? If not, why not?

**4** Read 1 John 4:7-21 and 1 Corinthians 13:4-8. What does the Bible teach us about love? In what ways might this reshape our understanding of marriage, singleness, dating, and all other human relationships? Briefly consider each of these.

**5** What would it look like for you to apply the Bible's description of love to your own relationships this week? Make it tangible and pick one or two relationships that come to mind.
