1 Corinthians 4:1-5

Reflection Questions

1 Why do you think we are so often quick to judge one another rather than to be patient with one another? In what situations or areas of life are you most judgmental?

2 Out of everything God has given you, what do you tend to take credit for yourself? Why do you think that is?

3 What does God's example in Christ's life, death, and resurrection teach us about judgmentalism? What does it teach us about patience and long-suffering?

4 By the power of the Holy Spirit, who do you most need to be patient with this week? What rhythms of grace will you implement to make Christ-like patience a reality towards this person?
